QUESTIONS

(potential discussion/conversation questions to use in your GGs this week)

1. [Ice-breaker] Do you have a favorite story or verse from John? Why is it special to you?
2. God should grow bigger as we know him more. What does it mean for God to "grow bigger"? How has he grown bigger to you?
3. Tony highlighted that John has great simplicity and great depth. Why are these both important for the Christian life? Why are they both attractive to unbelievers?
4. Why is it dangerous to "believe in belief"? Does belief save us?
5. Why did John not write a comprehensive biography of Jesus's life? Do you wish he did?
6. John teaches us that Jesus is eternal. Why is this significant to believe? How should Jesus' eternity shape our lives?
7. Where do we see God's Word in Scripture? What does that show us about God and how he uses His Word?
8. What else stood out to you about Tony's sermon?
