**QUESTIONS**

*(potential discussion/conversation questions to use in your GGs this week)*

1. Do you have any good examples of someone you know who went through an incredibly dark time but saw their faith grow mightily during that time?
2. Why is it important to understand that being a Christian doesn't mean you won't have doubts about the faith or difficult life circumstances?
3. Do you have any examples of God answering prayer in a different way than you wanted/expected?
4. What were some reasons Tony gave for why God might delay action on behalf of his people? Are there any others you can think of?
5. What are some examples of ways people might adjust their theology when faced with difficult times? What steps can we take to ensure our theology is sound before difficulty comes?
6. Tony listed four features of worship in Habakkuk 3:1-19. What were they and which one(s) do you need to cultivate in your life?
7. What does it mean to have a faith that is active in the present, rooted in the past, and has hope in the future (eschatological)? Give some specific examples of what that might look like.
8. Tony said that all Christians should desire to be able to say, “In all our sufferings, Christ is enough; in all our pleasures Jesus is enough.” What are some barriers to this becoming a reality in your life? What can you do to foster joy in God, rather than joy in circumstances?
