

### What are Growth Groups?

Growth Groups are sermon-based small groups that meet weekly in homes throughout our community. These groups practice the following:

- Fellowship
- Sermon discussion and application
- Prayer
- Local ministry projects

### Why are Growth Groups important?

At Imago Dei, we long to see believers grow into the image and likeness of Christ. We believe one way God accomplishes this is through missional community: living life together and challenging one another to grow as disciples of Christ. We desire to be a church where meaningful relationships are formed, in the spirit of Hebrews 10:25.
