QUESTIONS

(potential discussion/conversation questions to use in your GGs this week)

1. In this passage, Noah is called a “herald of righteousness”. Just as Noah called the world to flee from sin and find refuge, so we call the world to flee from sin and find refuge in Jesus Christ. Who is in your life that, even this week, that you can serve as a herald of the good news of Jesus Christ?
2. Pastor Tony said, “The Lord knows how to rescue, we are walking testimonies of that.” Would anyone like to briefly share how the Lord graciously rescued them from their former life of sin?
3. Pastor Tony said, “The godly are those whose life are characterized by reverence and resemblance. They revere God and seek to resemble his character.”
 - a. What actions can you commit to this week that will grow your reverence and knowledge of God?
 - b. What actions can you commit to this week that will grow your outward resemblance of His character?
4. Pastor Tony encouraged us to live in light of Jesus’ future return. How does Jesus’ promised return encourage us to holiness and hopefulness?
