**“False Teachers and Our Response”**

**QUESTIONS**

*(potential discussion/conversation questions to use in your GGs this week)*

1. Pastor Tony said, “In a world of bad news, we get to tell the good news!” Who is someone in your life who you may have the chance to tell the good news of Jesus to this week? Let’s pray for these individuals together.
2. Jude 22 calls us to “have mercy on those who doubt” and verse 23 says “save others by snatching them out of the fire.”
  - a. Why is our presentation of the gospel often ineffective if we do not have both urgency and mercy?
  - b. What will help us to be more merciful to those who have doubts towards Christ?
3. Verse 14 says that false teachers “entice unsteady souls”.
  - a. What responsibility do we have to those in our congregation who may be “unsteady” or immature in their faith?
  - b. For parents, how have you raised your children to have a steady faith?
