2 Corinthians 1:8-11

“Rely on God, Who Raises the Dead”

QUESTIONS

(potential discussion/conversation questions to use in your GGs this week)

- 1) In verses 8-9, Paul shares intense struggles and also affirms his complete reliance on God. How might you respond to someone’s suffering that points them to God’s power and goodness without minimizing what they are going through?
- 2) In verse 10, Paul reflects on God’s past faithfulness as evidence of His future faithfulness.
 - a. When in the midst of difficulties, what story or passage from the Bible do you turn to, to remind you of God’s faithfulness?
 - b. When in the midst of difficulties, do you have a time or situation from your life that you think about to remind yourself of God’s faithfulness?
- 3) Verse 11 reminds us of the help we need from God’s prayerful people in the midst of difficulties. Let’s spend a few minutes sharing prayer requests with one another, then let’s pray for each other. (This can be done in small groups or all together).
