1 Corinthians 6:12-20
“Glorify God in Your Body”

QUESTIONS

(potential discussion/conversation questions to use in your GGs this week)

1. What were the 5 truths and 2 actions Tony offered?
2. Where do you see the “permissiveness” of present day society/culture possibly influencing the church?
3. What is Christian freedom? How is it NOT a freedom to sin? How can we exercise Christian freedom in a God-glorifying way?
4. Tony said: “Sometimes you have a guest stay at your home for a short bit – but the Spirit comes to live permanently.” What implications does this truth have on our lives? Holiness is both saying “no” to sin and “yes” to God. How does the apply with sexual sin/sin of the body?
5. “Flee Sexual Immorality” is the command given in 18-19. How do we do this? What would it look like for our Growth Group to encourage one another to flee Sexual Immorality?
6. “Glorify God with your body” is the command given in 19-20. What does it mean to glorify God with your body?
7. For those who would be discouraged because of their failures with sins of the body/sexual sin, what hope do we have? What can we say to them so that they would not feel worse and trust in the promises of God?
8. Tony said “Sin problems are worship problems.” What did he mean by saying this?
9. This can be a heavy text because of either ongoing sin issues or poor experiences you may have had with sex. Is there anything that needs to be done tonight? Do you need to repent of anything? Let’s not delay! God is gracious and kind to forgive! (GGLs, you may offer to everyone a chance to communicate either to you or someone alone rather than the group, use your own discretion depending on your groups context)
