“A Vibrant Church at Work”

QUESTIONS

(potential discussion/conversation questions to use in your GGs this week)

1. What did this text teach us about Jesus?
2. What were the five “ingredients” of a missional church? [Effective evangelism, dynamic discipleship, mercy ministry, multi-cultural membership/leadership, and Spirit-directed, church-sent/supported missionaries]
3. Tony mentioned 3 reasons for evangelistic effectiveness. Do you remember what they are? [A burning passion for Jesus, A cultural-engagement mentality, the Lord’s sovereignty]. How can you begin to apply these things in your evangelism?
4. Tony said that worship and expectant prayer fueled the mission in Acts. Is this true of you? How does your worship of Jesus and your prayer life need to change?
5. Who is someone in your life that needs to hear the gospel? Think through your relational networks (family, where you work, where you shop, where you live, where you recreate). Take some time to pray for this person.
6. How can the local church be on mission together? What are some ways that we can be more than “individuals on mission?”
7. Spend some time talking about the people in your life who are not believers. How can your growth group come alongside you in your efforts to proclaim the gospel to them?
