QUESTIONS

(potential discussion/conversation questions to use in your GGs this week)

1. In what ways does this text and sermon lead us to rejoice? What things do we learn about God?
2. What are some common objections to the resurrection you have heard? Anybody know of any good responses to these objections?
3. Pick someone in your group to share the gospel (in 2 minutes). You probably want to ask someone to do this several days prior to your group, and ask someone who you feel is very competent in this. You may want to ask them to incorporate the 6 elements in the below question.
4. What were the 6 points of Tony's Sermon? [The Gospel is: (1)Christological, (2)Biblical, (3)Historical, (4)Doctrinal, (5)Personal, (6)Practical]
5. For the believer who has received the gospel, why does the gospel still matter today?
6. When we preach the gospel to a non-believer, it would be great if we use these 6 elements. Get in groups of 2-3 and practice sharing the gospel, using these 6 elements.
